

CERTIFICATE OF APPRECIATION

We acknowledge and appreciate the usage of ICT in the teaching of Political Science-I, II, III, IV, V, VI by Prof. Thomas G.M., Head of the Department of Political Science of our college.

He has converted the Power Point Presentations into CD forms which can be used by other teachers for the purpose of teaching.

I am confident that this would be of great use to the students of who have opted a distance mode of pursuing higher education.

With great appreciation for his innovative work I wish him every success.
